## CALAFCO 2013 Legislative Committee

Dear Members of the Commission

### RECOMMENDATION

It is recommended that the Commission Receive and File the 2013 Report from the CALAFCO Legislative Committee.

### DISCUSSION

Included in this staff report is the 2013 Legislative Year Bill Summary, a Final Summary of CALAFCO Tracked Bills, and the 2014 Tentative Legislative Calendar. The 2014 CALAFCO Legislative Committee, of which I am a member, will be meeting soon to solicit ideas for the 2014 Legislative Session. If Commissioners have ideas for LAFCO related legislation, please let me know at your earliest convenience. The Legislative Committee is requesting that initial ideas be submitted no later than November 8, 2013. These ideas will be considered by the Committee at its first meeting in mid to late November.

Please contact the LAFCO office if you have any questions.

Sincerely,

PAUL HOOD  
Executive Officer

Good afternoon EOs and Legislative Committee members. I wanted to touch base with you on the wonderful world of legislation. This note serves to give you a wrap-up of this year's activities, and sets the table for our work for the 2014 legislative year.

### 2013 Legislative Summary

First, as a way to summarize the 2013 legislative year, I am providing several final reports. Attached you will find the following:

1. Final summary of CALAFCO tracked bills for the 2013 legislative year
2. 2013 Legislative Year bill summary

### 2014 Legislative ideas

Next, I wanted to ask you - do you have an idea to improve a state law that affects LAFCo?

If so, we want you to submit your idea for consideration by the Legislative Committee. The attached Legislative Proposal Request Form has been designed for you to complete and share the idea with the Legislative Committee. It asks all of the questions that we receive from Assembly Committee and staff and will benefit a smooth transition from idea to potential legislation. Proposals should be focused on furthering the interest of LAFCos, and be aligned with the Association's Legislative Policies and Priorities. All submissions will be reviewed by the Legislative Committee for review and approval.

If you have an idea you would like the Legislative Committee to consider, please complete the form and return to me ***no later than November 8, 2013***. This will allow the committee the proper time to consider the request during their initial meetings. You are also encouraged to seek out a legislative author or sponsor for your proposal - this is especially helpful when done ahead of time.

Some ideas have already been generated for both the Omnibus bill and potential legislation. Both have been tracked, and attached you will find those tracking logs. When considering changes to CKH through the omnibus bill, please remember that they must be non-substantive. There is a rigorous review process of the items contained in our Omnibus bill and should something be flagged as potentially substantive, it will likely be removed by the Assembly Committee staff and their review team (we had that happen with two items this past year).

### 2014 Legislative Committee Update

Finally I wanted to update you on the formation and meetings for the Legislative Committee. The CALAFCO Board will meet on November 8<sup>th</sup> and appoint the Board members to the committee, and ratify the appointments of staff as well.

We have had difficulty in getting a date in November that works for a face-to-face meeting, so here is what I propose:

- ***Conference Call on Monday, November 25<sup>th</sup> at 10:00 a.m. - Noon***
  - At this meeting we will have introductions, set up committee expectations, adopt the meeting schedule, and do a high-level overview of proposals received so that they can be categorized as whether Omnibus or otherwise, as well as determine if any additional information is needed from the author prior to a full review on December 6<sup>th</sup>.
  
- ***First face to face meeting in San Diego - Friday December 6<sup>th</sup>***

The legislature reconvenes on January 6<sup>th</sup> - so we want to have stakeholder engagement and authors identified wherever possible ahead of this date so that CALAFCO bills can be introduced early. A copy of the tentative 2014 Legislative Calendar is also attached.

The rest of the meeting schedule will be considered and adopted at the December 6<sup>th</sup> meeting, but here is what will be proposed:

Friday, 24 January 2014 - Sacramento  
Friday, 28 February 2014 - Oakland  
Friday, 28 March 2014 - Ontario  
Friday, 9 May 2014 - Sacramento  
Friday, 25 July 2014 - Conference Call

Meetings are typically scheduled from 9:30 a.m. to 2:00 p.m. Conference call capability is available for all meetings.

Guess that's it for now - please mark your calendars and let your legislative ideas flow - we want to hear from you!

Have a great weekend,

*Pamela*

CALAFCO 2013 Legislative Update  
10/23/2013

**CALAFCO SPONSORED BILLS**

(Mullin D) Sustainable communities.

Current Text: Amended: 7/3/2013

Introduced: 2/19/2013

Last Amend: 7/3/2013

**Status: Died in Senate Appropriations.**

AB 453

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

*Summary: The Strategic Growth Council is required to manage and award grants and loans to a council of governments, metropolitan planning organization, regional transportation planning agency, city, county, or joint powers authority for the purpose of developing, adopting, and implementing a regional plan or other planning instrument to support the planning and development of sustainable communities. This bill would make a local agency formation commission eligible for the award of financial assistance for those planning purposes.*

*CALAFCO Comments: While in the Senate Natural Resources Committee, an amended was presented to the bill that would add requirements to Government Code section 56668(g) for LAFCOs to consider factors relating to regional transportation plans and greenhouse gas emissions in MSRs when reviewing proposals. After much discussion and work with the author and Committee staff, CALAFCO ultimately decided it could no longer sponsor or support the bill with that amendment. As a result, CALAFCO removed its sponsorship of the bill while the bill was still being held in Senate Appropriations, where it ended up dying.*

(Committee on Local Government) Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

Current Text: Chaptered: 8/12/2013

*Summary: The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (act), provides the sole and exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts. This bill would specify that the definition excludes any independent special district having a legislative body consisting, in whole or in part, of ex officio members who are officers of a county or another local agency or who are appointees of those officers other than those who are appointed to fixed terms. This bill contains other related provisions and other existing laws.*

AB 743

*Summary: The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 authorizes a local agency formation commission to approve, after notice and hearing, a petition for a change of organization or reorganization of a city, if the petition was initiated on or after January 1, 2010, and before January 1, 2014, and waive protest proceedings entirely if certain requirements are met. This provision applies only to territory that does not exceed 150 acres. This bill would delete the January 1, 2014, date and make conforming changes. This bill contains other related provisions and other existing laws.*

*(Gordon D) Health care districts: community health needs assessment.*

Commencing January 1, 2019, the bill would require the annual reports to address the progress made in meeting the community's health needs in the context of the assessment. This bill contains other related provisions and other existing laws.*

*(Roth D) Local government finance: property tax revenue allocation: vehicle license fee adjustments.*  
 Current Text: Amended: 6/11/2013

SB 56

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

*Summary: Beginning with the 2004-05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions, for the 2013-14 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation. This bill contains other related provisions and other existing laws.*

**Update:** *On the last day of session, with SB 56 stuck in Senate Committee, SB 69 was gut/amended on the Assembly Floor to reflect the exact language of SB 56. While the Pro-tem supported the idea of SB 56, and there were some encouraging conversations with the Pro-tem, Speaker, and Governor, there remained concerns over the price tag to the General Fund for this bill. The Pro-tem supported this and two other bills, all of which had a heavy price tag to the GF. In the end Steinberg could not support moving one forward and not advancing the others. The Speaker now has interest in this issue as does several of his members. One or two Assembly members (one being Fox – Santa Clarita) may carry language making whole prior inhabited annexations in the next year. Strategically they need to round up enough members to get a bill passed, which is not the case at the moment. There continues to be talk about using Prop 172 money as a temporary fix, but that does not solve the long-term problem created by SB 89. Expect to see more on this issue in the next legislative cycle.*

SB 181

*(Committee on Governance and Finance) Validations.*  
 Current Text: Chaptered: 7/3/2013 Introduced: 2/6/2013

SB 184

(Committee on Governance and Finance) Local government: omnibus bill.

Current Text: Chaptered: 9/6/2013

Summary: Current law requires any person who intends to offer subdivided lands within this state for sale or lease to file with the Department of Real Estate an application for a public report consisting of a notice of intention and a completed questionnaire, as specified. This bill would specify that a lot, parcel, or unit satisfies the requirement that it be improved with a completed residential structure if it is improved with a completed residential structure at the time it is conveyed by the subdivider. This bill contains other related provisions and other existing laws.

### Other Bills Tracked By CALAFCO

(Hill D) Use of public resources.

Current Text: Chaptered: 10/12/2013

Status: 10/12/2013-Chaptered by Secretary of State - Chapter 773, Statutes of 2013.

SB 594

Summary: Would prohibit a nonprofit organization or an officer, employee, or agent of a nonprofit organization from using, or permitting another to use public resources received from a local agency for campaign activity, as defined, and not authorized by law. This bill would define, among other terms, "public resources" to mean any property or asset owned by a local agency and funds received by a nonprofit organization which have been generated from any activities related to conduit bond financing by those entities subject to specified conduit financing and transparency and accountability provisions, and "nonprofit organization" to mean an entity incorporated under the Nonprofit Corporation Law or a nonprofit organization that qualifies for exempt status under the federal Internal Revenue Code of 1986, except as specified. This bill contains other related provisions and other existing laws.

CALAFCO Comments: As amended, SB 594 places new restrictions on nonprofit organizations that receive public funds and participate in certain campaign activities. While CALAFCO does not engage in advocacy of ballot measure positions or candidates, we felt the bill contained broad language that would be subject to wide interpretation by many including the Attorney General, which created the opportunity for expensive and unnecessary litigation for these nonprofit organizations. For this and a number of other reasons, CALAFCO originally took an Oppose position on the bill. Amendments made on September 3, 2013 address a number of CALAFCO concerns including the removal of the most harmful of actions identified in "election activities", and as such CALAFCO removed their opposition of the bill and took a more neutral position of watch. Other agencies such as CSAC and the League changed their positions from Oppose to Support.

*(Emmerson R) Drinking water.*

SB 772

*Summary: Would exempt the Elsinore Valley Municipal Water District and the Eastern Municipal Water District from liability for injuries or damages arising out of the delivery of water to County Water Company of Riverside customers, as specified.*

*CALAFCO Comments: As originally written, this bill required LAFCOs to work directly with private water companies and created significant unfunded mandates for LAFCOs; would have changed service review information gathering on mutual and private water agencies from "may" to "shall" and required private water agencies to produce spheres of influence. After significant opposition, the bill was amended by the author. As amended, this bill would exempt the Elsinore Valley Municipal Water District and the Eastern Municipal Water District from liability for injuries or damages arising out of the delivery of water to County Water Company of Riverside customers, as specified. As amended this bill no longer referenced LAFCOs to take on the responsibility of monitoring private water companies. As a result of removing any and all references to LAFCO, CALAFCO removed its opposition and took a Watch position.*

*(Alejo D) Safe Drinking Water Small Community Emergency Grant Fund.*  
 Current Text: Chaptered: 10/8/2013

AB 21

*Summary: Would authorize the Department of Public Health to assess a specified annual charge in lieu of interest on loans for water projects made pursuant to the Safe Drinking Water State Revolving Fund, and deposit that money into the Safe Drinking Water Small Community Emergency Grant Fund, which the bill would create in the State Treasury. The bill would limit the grant fund to a maximum of \$50,000,000. The bill would authorize the department to expend the money for grants for specified water projects that serve disadvantaged and severely disadvantaged communities, thereby making an appropriation.*

*Summary: Would authorize a legal entity, as defined, to apply for grant funding on behalf of one or more public water systems serving disadvantaged or severely disadvantaged communities if specified requirements are met, including having a signed agreement with each public water system for which it is applying for funding. By authorizing the use of a continuously appropriated fund for new purposes, this bill would make an appropriation. This bill contains other related provisions and other existing laws.*

*(Campos D) California Environmental Quality Act: translation.*

AB 543

*Summary: Would require a lead agency to translate, as specified, certain notices required by the California Environmental Quality Act and a summary of any negative declaration, mitigated negative declaration, or environmental impact report when a group of non-English-speaking people, as defined, comprises at least 25% of the population within the lead agency's jurisdiction and the project is proposed to be located at or near an area where the group of non-English-speaking people comprises at least 25% of the residents of that area. By requiring a lead agency to translate these notices and documents, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.*

*CALAFCO Comments: As amended, requires a lead agency to translate certain notices, summary of a negative declaration, mitigated negative declaration, or environmental impact report when the impacted community has 25% or more non-English speaking people affected by the project. The requirement is to translate these notices and summaries in the native language of those impacted. This is an unfunded mandate. While LAFCo is not typically the lead agency, there may be an occasion when they are, and this could have significant resource implications.*

*(Gordon D) Local agencies: financial management training.*

Current Text: Vetoed: 10/7/2013

AB 1235

*Summary: Would require a local agency official, in local agency service as of January 1, 2014, or thereafter, except for an official whose term of office ends before January 1, 2015, to receive training in financial management if the local agency provides any type of compensation, salary, or stipend to, or reimburses the expenses of, a member of a legislative body. The bill would require the Treasurer's office and the Controller's office, in consultation with other state agencies, associations, and outside experts, to work together to develop standardized criteria that sufficiently meet specified requirements. This bill contains other related provisions and other existing laws.*

*CALAFCO Comments: Requires that if a local agency provides any type of compensation, salary, or stipend to, or reimburses the expenses of, a member of the legislative body, the member shall receive one-4 hour state mandated Financial Management training per term of office. Effective January 1, 2014 for those in office as of that date (whose term of office extends beyond January 1, 2015). Those elected to more than one legislative body may take the training one time and have it apply to all legislative bodies on which they serve. This would apply to a LAFCo Commissioner who receives a stipend or is reimbursed for expenses in the performance of their Commissioner duties.*

Governor's Veto Message: "I am returning Assembly Bill 1235 without my signature. This bill imposes financial management training requirements on elected city, county and special district officials at potentially significant costs to the state. I believe local governments can impose appropriate financial management training without the aid of the State General Fund. Sincerely, Edmund G. Brown Jr."

*Summary: Would require the Controller, on or before January 1, 2015, to develop internal control guidelines applicable to a local agency, as defined, to prevent and detect financial errors and fraud, based on specified standards and with input from any local agency and organizations representing the interests of local agencies. This bill would require the Controller to, by the same date, post the completed internal control guidelines on the Controller's Internet Web site and update them, as he or she deems necessary, as specified.*

Current law requires a newspaper of general circulation to meet certain criteria, including, among others, that it be published and have a substantial distribution to paid subscribers in the city, district, or judicial district in which it is seeking adjudication. This bill would provide that a newspaper that is available on an Internet Web site may also qualify as a newspaper of general circulation, provided that newspaper meets certain criteria.*

The bill would authorize the office, by July 1, 2015, to draft and transmit to the secretary revisions to the guidelines to include as a categorical exemption projects involving minor temporary uses of land and public gatherings that have been determined not to have a significant effect on the environment.
