LAFCO 05-2 – Cities Annexation to the Mosquito and Vector Management District Extension of Time to Complete Proceedings

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission extend for a period of one year, to November 3, 2008, the time allowed to complete the Cities Annexation to the Mosquito and Vector Management District of Santa Barbara County (LAFCO 05-2).

DISCUSSION

The Government Code specifies if proceedings for a boundary change are not completed within one year of the Commission's approval, a proposal is deemed abandoned, unless prior to the expiration of that year LAFCO authorizes an extension of time.

The Commission approved the Cities Annexation to the Mosquito and Vector Management District of Santa Barbara County on November 3, 2005 and has already approved a one-year time extension to November 4, 2007. If the time allowed to complete this proceeding is not extended, it will become void on that date.

The enclosed letter from the District requests an extension of time to complete proceeding, based in part upon a change in staff for the District.

Sincerely,

BOB BRAITMAN
Executive Officer
