**La Cumbre Mutual Water Company Annexation to the
Goleta Sanitary District (LAFCO 10-4)**

Dear Members of the Commission:

Recommendation

It is recommended the Commission direct the staff to schedule this proposal for a future meeting.

Discussion

This proposal was scheduled for hearing on October 14. At the request of the County Planning and Development Department, the Commission continued the item to this agenda.

On October 26 we received the enclosed memorandum from Planning and Development raising several issues that need to be addressed before this matter can be heard.

Accordingly we recommend staff be directed to schedule this proposal for a future meeting to allow the opportunity to resolve these questions.

Sincerely,

BOB BRAITMAN

Executive Officer
