Carpinteria Sanitary District - Sphere of Influence Update

Dear Members of the Commission:

RECOMMENDATION

It is recommended this matter be continued to September 6.

DISCUSSION

The Commission on March 1 continued this hearing to this date. We recommend a further continuance to September 6.

Since March we have continued discussions with the Carpinteria Sanitary District staff regarding possible modifications in the District Sphere of Influence. Since that time these discussions have also included members of the County Planning & Development staff.

We are hopeful that by the September meeting we will have recommendations regarding what changes, if any, the Commission should make in the District Sphere.

Please contact the LAFCO staff if you have any questions.

Very truly yours,

BOB BRAITMAN
Executive Officer
