### **Appreciation by the Goleta City Council**

Dear Members of the Commission

To mark the occasion of the anniversary of the November 2002 election wherein voters approved the incorporation of the City of Goleta, the City Council on November 4, 2002 adopted the enclosed proclamation thanking the Commission and its staff for their participation in the creation of the City.

This was a thoughtful expression by the Mayor and City Councilmembers and it is recommended the proclamation be received and filed.

Sincerely,

**BOB BRAITMAN**  
Executive Officer
