Local Agency Formation Commission
105 East Anapamu Street
Santa Barbara CA 93101

Executive Officer Performance Evaluation

Dear Members of the Commission

RECOMMENDATION

It is recommended by the ad hoc Operations Committee that the Commission schedule a closed session to consider Executive Officer performance.

DISCUSSION

Staff support for the Commission is provided by means of a contract with Bob Braitman. He and the Commission have agreed to conduct periodic reviews of staff performance in light of the Commission's statutory requirements for professional staff support.

The ad hoc Operations Committee – Commissioners Orach, Umenhofer and myself – have conferred with the Executive Officer and discussed objectives for the coming year.

It is recommended that the Commission schedule a closed session for the purpose of evaluating staff performance. The session can be conducted in conjunction with a regular LAFCO meeting, however due to the current work load involving the incorporation of Goleta and other matters it may be necessary to schedule a special Commission meeting for this purpose.

Sincerely,

TIM CAMPBELL
Chair
