Subject: LAFCO / CSD

Dear Mr. Hood and LAFCO Board,

As a property owner (Lot #13) within Lakeview subdivision, we have exhausted all possibilities through the CSD to resolve our access problem.

Our attorneys have advised us to REORGANIZE into a Bridge & Highway District (BHD) which can resolve this 30 year old problem. We would then have a Board appointed by the County Supervisors that is made up of Landowners.

PLEASE do not dissolve the CSD until LAFCO has heard our Petition for REORGANIZATION into a Bridge & Hwy District, and please unfreeze our tax dollars (\$ 15,000.00 unanimously appropriated by the CSD Board Nov 2014) toward this reorganization so our \$10,500 LAFCO application fee and \$1,100 to County Surveyors can be paid.

This CSD effort has already paid out in cash \$684, 634.77 of our tax dollars, (as of November 2014) and still owes another \$37,183.36 in accrued expenses !!! We need to have the application fees paid for the BHD paid so we can resolve this access road issue.

Sincerely,

Michael Richard Brown
Landowner name, Lot #13
