**Subject:** City of Lompoc Sphere of Influence

**I urge LAFCO to postpone its decision regarding expansion of the Lompoc SOI until its February 2, 2023 meeting**

LAFCO is scheduled to hold a hearing on December 8th to make a decision on the City of Lompoc's application to expand its SOI. The public notice sent on November 29th included nearly *2,000 pages of relevant information* and more time is needed to review the information thoroughly. **Please provide the public with a meaningful opportunity to participate in the process by postponing your decision until February 2.**

**If LAFCO does proceed with the hearing, you must deny the City's proposal and prevent the conversion of important agricultural lands.**
