Local Agency Formation Commission

### **Santa Ynez River Water Conservation District Improvement District No. 1**

Dear Members of the Commission:

#### RECOMMENDATION

It is recommended the Commission receive a report from Commissioners Doreen Farr and Cathy Schlottmann at the July 7 meeting and provide direction as appropriate.

#### DISCUSSION

On April 7 the Commission considered a recommendation to adopt a Sphere of Influence for the Ynez River Water Conservation District Improvement District No. 1 that is contiguous with the current District boundaries.

The Commission, after testimony by District General Manager Chris Dahlstrom, continued the public hearing for six months and appointed an ad hoc committee of Commissioners Farr and Schlottmann to confer with the District to reach agreement regarding jurisdictional issues.

The ad hoc committee met with the District's ad hoc committee of Trustees Harlan Burchardi and Larry Musgrove on June 8 and 29. Staffs and legal counsels attended both meetings.

Commissioners Farr and Schlottmann will provide a report to the Commission at the July 7 meeting regarding the results and conclusions of meeting with District representatives.

Very truly yours,

**BOB BRAITMAN**

Executive Officer
