**Out of Agency Service Authorization– Santa Ynez
Community Services District (Stewart)**

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission receive and file this report.

DISCUSSION

On April 6 the General Manager of the Santa Ynez CSD hand-delivered an application to the LAFCO staff for approval to provide sewer service to an existing single-family home on an out-agency basis, stating that:

“With the recent rains, the septic system has failed and the owner and his family have to move to a hotel. The District is concerned for public health and safety and considers this situation to be an emergency.”

On April 6, consistent with the Commission’s procedures, the Chair authorized the District to provide service to the Stewart property on an out-of-agency basis and the staff is hereby advising the Commission of the action that was taken

The annexation of the Stewart property to the Santa Ynez CSD is an item on May 4 agenda.

Sincerely,

BOB BRAITMAN
Executive Officer
