LAFCO 06-2 – Vintage Ranch Reorganization Extension of Time to Complete Proceedings

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission take no action other than to receive and file this letter.

DISCUSSION

This matter was placed on the agenda when we received a letter from the County staff stating an extension of time might be needed to finalize this proposed annexation to the North County Lighting District and County Service Area No. 5.

The Commission approved this proposal on March 3, 2006. The Government Code specifies that if proceedings are not completed within one year of the Commission's approval, the proposal is deemed abandoned, unless the Commission extends the time for completion.

As it turned out, we were able to record the Vintage Ranch Reorganization on February 15, making further action by the Commission unnecessary.

Sincerely,

BOB BRAITMAN
Executive Officer
