To the Members of LAFCO:

Please postpone the hearing on the above-referenced matter scheduled for tomorrow, 12/8/22, until 2/2/23 so that the public has time to review the extensive documents that accompany the proposal to expand Lompoc's Sphere of Influence. If you are unwilling to postpone the hearing, I urge you to deny the proposal. Prime agricultural lands should not be converted to non-agricultural uses.

Sincerely, Janice Keller, 1604 W. Lemon Pl., Lompoc, (805) 291-9777
