Workshop to Consider Commission Goals and Procedures

Dear Members of the Commission:

Chair Jeff Moorhouse asked this item be placed on the agenda in order to schedule a workshop to consider Santa Barbara LAFCO goals and procedures and short and long-term planning.

If a workshop is to be held it can be scheduled as of a regular Commission meeting or another date and time can be selected provided the members of the Commission would be available.

In order that the workshop is useful and relevant, Commissioners should give attention to what topics should be included on the agenda. The staff would appreciate direction regarding what documentation, if any, should be provided as background for the discussion.

Please contact the LAFCO office if you have any questions.

Very truly yours,

BOB BRAITMAN

Executive Officer
