March 5, 2008 (Agenda)

Local Agency Formation Commission

105 East Anapamu Street, Room 403

Santa Barbara CA 93101

South Coast Annexation to the Goleta Cemetery District (LAFCO 07-18)

Dear Members of the Commission:

Recommendation

It is recommended this hearing be continued to the May 1 LAFCO meeting.

Discussion

The staff included this proposed annexation in the notice for the March 6 meeting in anticipation that the County and the District would reach a property tax exchange agreement in time for the Commission to consider the annexation.

It has become clear that a tax exchange agreement will not be consummated in time for this proposal to be heard of March 6. It is therefore recommended that the public hearings on expanding the Sphere of Influence and approving the annexation be continued to the next meeting to be held in Santa Barbara, which is scheduled for May 1.

Please contact the LAFCO office if you have any questions.

Very truly yours,

BOB BRAITMAN

Executive Officer
