Significant exposure to civil litigation. 1 case.

The LAFCO Clerk/Analyst received a communication from Mr. E. Patrick Morris on March 1, 2024, threatening litigation regarding Business Item 1 on the March 7, 2024 Commission Agenda, which is the Commission's consideration of a Resolution amending the Sphere of Influence for Santa Rita Hills Community Services District. Mr. Morris claimed he did not receive notice of "all agenda items and commissioner information" regarding this matter. A copy of that communication is attached to this Addendum to the Agenda and is available for public inspection.
