Subject: Santa Rita Hills CSD – Application for Modification of LAFCO Resolution  
03-13 and Application to Amend District Sphere of Influence (SOI)

Dear Chairman Aceves and Honorable Members of the Santa Barbara County LAFCO  
Commission:

On June 6, 2013, your Commission considered the Santa Rita Hills Community Services District's request and application for changes to its formation documents. At that hearing, this item was continued to September 5, 2013.

In the intervening time, the District has received the Executive Officer's staff report and, pursuant to an analysis by County Counsel, we now understand that further environmental review of our application(s) should be conducted.

Therefore in order to provide the necessary time to conduct this analysis, we respectfully request that the Commission withdraw the District's application(s) without prejudice, until the environmental review has been completed.

We appreciate your assistance in this matter, and if we can furnish any further information at this time, please let us know.

Sincerely,

Thomas Freeman, President  
Santa Rita Hills CSD

Cc: Paul Hood, Executive Officer  
Board of Directors
