**Withdrawn Application to Detach Territory within the City of Goleta
from the Goleta West Sanitary District**

Dear Members of the Commission:

Recommendation

It is recommended the Commission receive and file this report.

Discussion

The Goleta City Council on November 16, 2010 rescinded its resolution initiating the detachment of territory from the Goleta West Sanitary District. Consequently the application has effectively been withdrawn and is no longer a pending proposal.

If the City reapplies in the future for a similar proposal we will process that request as a new and separate application.

No Commission action is needed other than to receive and file this report.

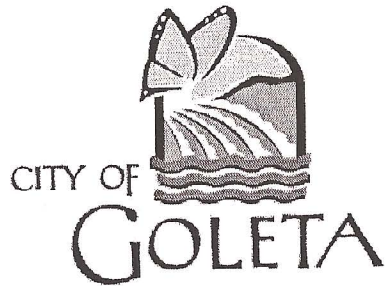

Please contact our office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
