Local Agency Formation Commission

**Continuance of Green Heron Springs (Ellinwood) Annexation
to the Carpinteria Sanitary District (LAFCO 09-5)**

Dear Members of the Commission:

RECOMMENDATION

It is recommended the public hearing on this proposal be continued to the meeting on October 1.

DISCUSSION

We placed this item on the agenda thinking it and the accompanying annexation to the City of Carpinteria might be ready to be heard at this meeting.

A property tax exchange agreement has not yet been approved by the City and County and therefore the annexation to the City is not ready for hearing. We think both proposals should be considered at the same meeting

We believe these related proposals will be ready for hearing at the next Commission meeting to be held on Thursday, October 1.

Sincerely,

BOB BRAITMAN
Executive Officer
