Dear Members of the Commission:

RECOMMENDATION

It is recommended this proposal be continued to the next LAFCO meeting.

DISCUSSION

The staff thought this matter would be ready to be heard when we assembled the notice of hearing for the August 3 meeting. As it turns out there are steps that still need to be completed before we can place this proposal before the Commission for your determination.

It is therefore recommended the staff be directed to schedule this proposal on the first available agenda when it is ready for hearing.

Sincerely,
