Dos Pueblos Ranch Annexation to the Goleta Water District

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission continue this matter to the June 5 LAFCO meeting.

DISCUSSION

Conversations are continuing between the LAFCO staff and legal counsel and representatives of the Goleta Water District and affected property owner with respect to this proposed annexation. Some additional legal analysis is still required.

Since this proposal was last on a Commission agenda, the Gaviota Coast Conservancy has filed a legal challenge to the District submitting the annexation.

It is recommended that the Commission continue the public hearing on this proposed annexation until its June 5 meeting.

Please contact the LAFCO office if you have any questions.

Very truly yours,

BOB BRAITMAN
Executive Officer
