## **LAFCO 06-5 – Burton Ranch Reorganization Extension of Time to Complete Proceedings**

Dear Members of the Commission:

### RECOMMENDATION

It is recommended the Commission extend for a period of one year, to May 4, 2008, the time allowed to complete the Burton Ranch Reorganization (LAFCO 06-5).

### DISCUSSION

The Government Code specifies if proceedings for a boundary change are not completed within one year of the Commission's approval, a proposal is deemed abandoned, unless prior to the expiration of that year LAFCO authorizes an extension of time.

The Commission approved the Burton Ranch Reorganization: Annexations to the City of Lompoc and Mission Hills Community Services District and Detachments from the Santa Barbara County Fire Protection District and the Vector Control District on May 4, 2006. If the time allowed to complete this proceeding is not extended, it will become void on May 4, 2007.

The enclosed letter from the City indicates that an extension of time might be needed for this proposal. The staff feels this is a reasonable request and recommends approval.

Sincerely,

**BOB BRAITMAN**  
Executive Officer
