LAFCO 07-5 – South Coast Annexation to the Carpinteria Sanitary District

Dear Members of the Commission:

Recommendation

It is recommended the Commission order the execution of the enclosed Certificate of Completion for the South Coast Annexation to the Carpinteria Sanitary District since the majority of votes cast upon the question are in favor of the proposed annexation.

Discussion

The Commission approved the South Coast Annexation to the Carpinteria Sanitary District on August 2, 2007. Since written protests were received from more than 25% of the registered voters residing within the proposal area, it was necessary to conduct a confirmation election. That election was held by mailed ballot on April 22.

The “Certification of Election Results of the Official Canvass” prepared and executed by Santa Barbara County Clerk Joe Holland is enclosed confirming that a majority of the votes cast in the election are in favor of the annexation. Of a total of 140 votes cast in the confirmation election, 73 votes, or 52.14%, were in favor of the annexation and 67 votes, or 47.86% were opposed.

Please contact the LAFCO if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
