Requests for Future Agenda Items

Dear Members of the Commission:

RECOMMENDATION

The Commission should determine whether “Requests for Future Agenda Items” should be a standard item on each meeting agenda.

DISCUSSION

Commissioner Craig Geyer asked this item be placed on the agenda. The issue is whether meeting agendas should include an item that would specifically allow Commissioners to request items to be placed on future agendas.

Traditionally Commissioners have used “Commissioner Comments” as an opportunity to request that items be placed on future agendas and this seems to have worked well in the past.

If directed staff will include an item on future agendas for Commissioners to request that specific items be agendized at future meetings.

Very truly yours,

BOB BRAITMAN
Executive Officer
