Dear Chair and Members of LAFCO:

Endangered Habitats League is concerned over loss of prime farmland. Once lost, this food security is lost forever. Housing can and should go elsewhere.

We ask LAFCO to *postpone* this decision until its February 2, 2023 meeting in order to provide the public with a meaningful opportunity to participate in the process. If, however, LAFCO does proceed with the hearing, please *deny* the City's proposal and prevent the conversion of important agricultural lands.

Sincerely,
Dan Silver
