Subject: PLEASE protect farmland in Lompoc

Dear Natasha, Commission Analyst/Clerk,

I am reaching out to urge you LAFCO to postpone the decision regarding the farmland along Bailey Avenue until its February 2, 2023 meeting in order to provide the public with a meaningful opportunity to participate in the process! Additionally, if LAFCO does proceed with the hearing, I am respectfully demanding that it denies the City's proposal and prevents the conversion of important agricultural lands.

Ag land is precious and important for climate resilience and our communities! Please protect this land.

Thank you for your time and consideration.
