Santa Barbara County Local Agency Formation Commission

RE: LAFCO File No. 22-07 for the City of Lompoc's Bailey Avenue Sphere of Influence Amendment

Dear Mr. Prater and Members of the Commission;

I am a longtime resident of Lompoc, since 1963 as an infant. I am looking to the future and the needs we have in our Community. Through many Committees I have sat on, we have always discussed the need to provide more space for growth.

I am writing in support of LAFCO File No. 22-07 for the City of Lompoc's Bailey Avenue Sphere of Influence Amendment (APNs 093-070-084, 065 (the Bailey Property) and APNs 093- 111-007, -008, -009, -010, -011, & -012 (the Bodger Property)).

In addition to being a long time resident, I own property in the City and also am a Business Owner. Please be advised that I am in support of the Amendment that will bring the above parcels in to the Sphere of Influence of the City Of Lompoc. The City Of Lompoc, with the overwhelming support of the community, has been in this process since the inception of the City's 2030 General Plan update. The SOI Amendments and eventual annexations have been in the works for a very long time.

Please assist the City and our Community and move the Amendment process forward per The City Of Lompoc's request.
