Paul-

I'm writing to confirm our telephone conversation this morning regarding the staff report for the February 2, 2017 LAFCO meeting on the request by SYCSD to amend its sphere of influence to include Los Olivos, and the pending proposal to form a CSD for Los Olivos. The staff report states: "The sphere of influence amendment request is deemed incomplete pending the MSR/SOI update." In our telephone conversation this morning you advised me that (i) SYCSD's SOI amendment request is "deemed incomplete" only because you need to complete the MSR/SOI update for SYCSD, not because SYCSD has failed to provide any necessary information, and (ii) you do not require any information from SYCSD at this time to move forward with the processing its SOI amendment request. You also advised me that you would clarify with the Commission at the February 2 meeting that SYCSD has provided you with all of the information you have requested up to this point to process its SOI amendment request.

Thank you for your cooperation and assistance.

Rick

Subject: In favor of a Los Olivos CSD

Hello

I am a resident of Los Olivos and our property is in the Special Problems Area. I am totally in favor and want to proceed with holding a community vote on creating our own Los Olivos CSD. I am unable to attend the LAFCO meeting on Thursday, Feb. 2nd but wanted to voice my opinion.

Thank you,

Jody Schoen

Although I can not attend the meeting Thursday I wanted to express my desire as a Los Olivos resident to form a CDS for our town. I very much want us to be able to be in charge of our own services!

Thank you, Esther Andrews=
