Subject: Santa Rita Hills CSD

Dear Mr. Hood

We have owned a parcel (Lot 23) in the Santa Rita Hills Community Services District for the past twelve years. During that time, many attempts have been made to have roads built so that we can access our parcel. We support and appreciate the goals and efforts of the CSD in helping this process along.

We are supportive of the Bridge and Highway District as we would like to see that all property owners are eligible to serve on the Board and vote. We would very much appreciate having the time to complete the application for the BHD that is now in progress, so that we can reorganize the CSD into the BHD and finish the job so that we may all be able to fully utilize our property.

Thank you for your help and support!
